Dear Parents,

We would like to share a little about our drop off and collection procedure at Pariposa Preschool.

If you have visited our campus, you will have observed how we chose to dedicate the outdoor space we have, to create an engaging outdoor environment for your child to explore.

Kindly note that there will be **no parking** allowed on the premises due to lack of space. We seek your kind co-operation with this routine.

If you are driving and wish to come in with your child, you will need to park in one of the car parks in the near vicinity and walk to the preschool.

Alternatively, you could explore taking public transport. We also have a preschool bus service as an option. For details on this service, please contact our office.

If you are planning to take the 'drive through only' option, **please inform your child's class teacher before the first day of preschool** so that we can be sure a member of staff will be at the gate to warmly greet your child and guide him/her to class.

Warmest regards,

Sonia Sharma
Director
